Dear Dr. Melanie,

I just wanted to take a moment to let you know how pleased we were with your staff and your program here at Merritt Academy. We have worked with another company in the past and have been increasingly dissatisfied each year. It was a pleasure to have such caring people interact with our students. Your staff was prompt, courteous, and very efficient. It was a real bonus to see all of your smiling faces first thing in the morning!

We look forward to working with you again next school year. Thank you for providing this valuable service to our families.

Sincerely,

*Carol Litke
